MEMORANDUM FOR THE RECORD

SUBJECT: Briefing on EMPAC

25X1A

On Tuesday, 26 September 1967, at 1000 hours, in the DCI Conference Room, [redacted] will give a briefing on EMPAC. EMPAC, as I understand it, is a management process designed to furnish to managers cost and effectiveness information about intelligence collection and processing facilities. The first application of the methodology is currently being planned for the Chinese ground forces problem. The security level of the briefing will be Secret.
